

Hands On Tour

Our guided tours allow students to experience life as it was during pioneer times. Our pioneer village has been stuck in time since the early 1900's. Tour Log Houses, Blacksmith Shop, Gristmill, General Store, Post Office, Train Station, Vintage Machinery and much more!

Barter for candy, stamp post cards, check out "Big Roy" as a part of your tour!

MANITOBA AGRICULTURAL MUSEUM'S HANDS ON PROGRAM

"Take a walk" through history with our Hands On Programs

Time Travel

- ◆ Travel in the professors time machine and meet six characters from the past.
- ◆ Barter, make candles, card wool, watch the blacksmith heat the forge, write on slates, do pioneer laundry and more.

Harvest Helpers

- ◆ Watch a steam engine power up a threshing machine
- ◆ Watch a binder tie grain into sheaves.
- ◆ Toss a sheaf up into the threshing machine and see the grain separate from the straw
- ◆ Learn to bundle sheaves into stooks

Bakers Bonanza

- ◆ Separate the milk from the cream.
- ◆ Churn fresh butter
- ◆ Measure, mix and bake in a clay oven or wood stove.
- ◆ Includes a guided tour of the village.

Book your tour early as spots are filling quickly.

Call the museum office at 204-637-2354 and we will help you choose a program to suit your needs.

Daily Duties

- ◆ See how pioneers survived without electricity, running water and convenience stores.
- ◆ Flail, winnow, and grind grain into flour in a hand quern.
- ◆ Includes a guided tour of the Pioneer

Simple Machines

- ◆ Learn about simple machines as you participate in a scavenger hunt in our authentic pioneer village.
- ◆ Compliments the Grade 5 science curriculum
